Financial Accountant

(DE/EN 100%)

Key responsabilities:

The Financial Accountant will report to the Financial Accounting Manager.

- Responsible for bookkeeping for LK Österreich GmbH, KJUS Retail GmbH and LK Deutschland GmbH, including transaction processing, reporting, payments, coordination with external consultants, and intercompany reconciliation activities.
- Support accounts receivable activities, including serving as backup for invoice processing.
- Support accounts payable activities, including payment initiation.
- Support the Financial Accounting Manager in various projects, analyses, and technical accounting matters.
- Collaborate with and provide required information to the Shared Service Center to ensure efficient and accurate financial processes.
- Manage the general Finance mailbox, including communication with customers and vendors.
- Oversee the dunning process and support cash collection activities.
- Prepare quarterly reporting packages for all entities.
- Maintain VAT tax codes within the ERP system.
- Ensure proper document storage and records retention in accordance with company policies and regulatory requirements.

Your Profile

- Commercial Education with further education in Finance and Accounting or equivalent professional experience.

- Minimum of 5 years of experience in a comparable accounting or finance position within an international business environment.
- Strong understanding of financial processes, reporting requirements, and cross-functional collaboration.
- Proficient user of ERP systems, Microsoft Office applications, and Outlook.
- Ability to work independently, manage multiple priorities, and meet deadlines in a dynamic, fast-paced environment.
- Excellent organizational and communication skills.
- Comfortable working in a dynamic, international environment with stakeholders across multiple countries and functions.
- Proactive, detail-oriented, and able to thrive in a dynamic international environment.
- Ability to work independently while effectively coordinating with shared services teams, external partners, and multiple legal entities.
- Strong analytical skills, adaptability, and a collaborative approach to solve problems and improve processes.

Benefits:

- Complimentary beverages
- 30% employee discount on KJUS products (based on retail price)
- Flexible working hours and remote working opportunities
- Lunch vouchers
